OFFICE POLICIES

At Sperling Dermatology, LLC, we pride ourselves in offering you personalized care and the very best in customer service.

Inclement Weather: Sperling Dermatology, LLC will close its offices during periods of inclement weather. We do not want our patients or our staff members to risk their safety. We will contact everyone who has as appointment via voice call and/or text message to notify you of any closures or delayed openings. During this time a member of our staff will be accessible by phone to help reschedule any appointments or answer any inquiries.

Late Arrivals: If a patient notifies the office or presents to the office late for a scheduled appointment with our provider(s), the patient will be asked to reschedule their appointment due to the Late Arrival Policy. When a patient arrives late, the time spent with the patient is minimized and does not allow for a full assessment. It also disrupts the schedules of our provider(s) and other patients. At Sperling Dermatology, LLC any patient who arrives more than 20 minutes late to their scheduled appointment time will be rescheduled. We will try our best to accommodate the patient with another time slot if possible.

Insurance: Please be advised, Sperling Dermatology, LLC has the right to obtain a copy of your health insurance card at the beginning of each of your appointment(s). Failure to provide this information will lead to a rescheduling of your current appointment.

Minors: We love children! Please understand that for the safety of your children, they are not allowed to join you in the aesthetic room during your facial treatment. We also do not advise children under the age of 13 years old unsupervised in our waiting room while you are enjoying your facial treatment.
